## NOTE

This Address Register contains the names of living graduates of Vassar College, from 1867 to 1928, arranged first in an alphabetical list and later grouped geographically. If an alumna is married the address is given after the married name, with the maiden name in parenthesis. Under the maiden name there is a cross-reference to the married name. In the geographical list there are no cross-references, the married alumna appearing under her married name only.

Associate members are those former students who are members of the Associate Alumnae. They are listed in a separate alphabetical list, but are included with the graduates in the geographical list.

In every case the date of graduation appears after the name. Where two dates are given, the first refers to the class with which the alumna entered and the second is the year in which she received her degree.

Those who have compiled the register know that, in spite of all their care, errors and omissions will have crept in. For many alumnae the Alumnae Office has no recent or accurate addresses. Changes have come in constantly since the book went to press. All who use it are urged to send additions, corrections, information of marriages and deaths, and other changes to the Alumnae Office, for records and for future publications.
